With *Fantastically tasty Salads*, I wish to inspire you to eat salad all year round - as a side dish for dinner, lunch and breakfast, or as a meal in itself. You get salads that you can eat with your hands, take with you on trips or dish up for everyday use or parties.

Here you will find recipes for 100 salads, both Norwegian and international with inspiration from my 30 years living in America, Switzerland and England. You'll find classic American salads such as Cobb and wedge salad side by side with other favorites like broccoli and tomato salad.
