Knit a birthday present and create a fun atmosphere with inspiration from Klompelompe!

Few things are as popular as home-made knitted gifts for birthdays, whether it is a rattle or a teddy bear for the little one or a warm and cozy sweater for dad. But why not decorate for the birthday party itself with inspiration from Klompelompe? Here are creative ideas for children's birthday parties as well as birthday celebrations for other members of your family.

The book contains patterns for garments that are nice to give as gifts and garments that are great to wear at birthday parties. Here are also ideas for all year round birthday concepts such as carnival birthday, newborn party, best friend birthday, grandparent birthday, boat trip birthday, as well as seasonal birthday themes.

The patterns vary in degrees of difficulty and come with easy directions. In addition to garments, there are also patterns for party decorations. The popular Klompelompe teddy bear also comes in new varieties that can become popular birthday gifts.

Klompelompe's Birthday Party also includes inspiring pictures of a fun birthday atmosphere with decorated tables, as well as recipes for apple pie and sweet buns.
