Siri Nilsen

SIRI NILSEN is a singer, songwriter, actor and dancer. In recent years, she has spent more and more of her time on developing knitting designs, and has great success with her Instagram account @krauseri, where she shares knitting patterns and knitting tips.

Do you wish to get started with knitting? Then this is the ultimate book for you!

Siri Nilsen has always been happy to express herself creatively, as a singer, songwriter, actor and now also as a knitting designer. She has created a knitting book for beginners with 25 patterns that are super easy to understand. In ***Siri's Knitting book for beginners*** you'll find the simplest patterns and descriptions to follow, explained in a clear language and with pictures showing how to knit step by step.

You'll find smaller and larger projects and the book's actually a small knitting school. Maybe your first garment will be a baby blanket or a jumper? And for those of you who are more advanced knitters, this book is the perfect gift book for your friends who keep coming to you asking for help with their knitting projects.
