In the third book in the *New Irresistible series* by Klompelompe you'll find lovely patterns for knitted garments just for children, from sizes 1 to 14 years. The more than 60 patterns in the book, are of varying levels of difficulty and of different yarn thickness.

You can choose between Jumpers, jackets, trousers, hats, scarves, mittens and socks, both larger and smaller projects. This beautiful book by Hanne Andreassen Hjelmås and Torunn Steinsland's contains both smart looking garments for teenagers and cute little things for the smaller children.

You'll find both patterned knits, more quickly knitted garments and lightly knitted garments in stockinette stitch. Various yarn thicknesses have been used in both traditional soft *Klompelompe colors* as in new bright colours.
