Playful Stitches inspired by Traditions

Original title: Lek med tradisjoner
Publisher: Gyldendal Norsk Forlag 2015
Non Fiction / Hobby/Hand craft

In ***Playful Stitches inspired by Traditions***, you will find inspirational projects for both patient and impatient knitters and garments for all needle sizes!

Knitting is popular like never before, and in this book, knitwear designer Kristin Wiola Ødegård presents her most beautiful self-designed cardigans and sweaters for women, men and children. In addition, you get patterns for accessories such as hats, mittens, wrist mittens, necks, socks and crocheted jewelry, all inspired by Norwegian traditional patterns.

Her unconventional use of colours has become the designer's trademark and she also likes to use yarn of different quality in the same work.
