## Gazebo by the Pond

Original title: Lusthuset vid tjärnen  
Publisher: Bazar Förlag 2023  
Fiction Novel / Feel Good

**A lovely feel-good Christmas novel in a wintry setting in picturesque surroundings in the heart of Sweden.**

The work at the PR agency in Stockholm begins to feel increasingly heavier and eventually Hilma has had enough and resigns. On an impulse, she applies for a job at a café with chocolate production, located in a beautiful gazebo in Leksand. She has never longed to move north, but the image of the café awakens an inexplicable longing within her. Nothing turns out as she thought, but maybe the move to Dalarna will be the start of something new?

Parallel to Hilma's story, we follow a boy who grows up in the 1960s in the same village. Who is he? And how much loneliness can a person handle?

*Gazebo by the Pond* is a warm, romantic and moving story about dreams, friendship and love, and about the importance of community and a meaningful existence.
