The Gourministry's Favourite Dishes

Original title: Gourministeriets favoritter
Publisher: Alpha Forlag, Denmark 2024
Non-Fiction / Cookbook
Danish PDF

The Gourministry's Favorites is an all-round cookbook for both everyday life and parties, for smaller or larger meals, for the whole family.

This book is packed with inspiration to come up with delicious and quick dinners again and again in a busy everyday life - without taking the breath away from the cook.

In *The Gourministry's Favorites* you'll find recipes for anything from easy everyday meals to be prepared in 30 minutes to fluffy weekend stews and delicious desserts. All the dishes are easy to make and full of flavor.

Dianna Brinch

Dianna Brinch lives in Helsingør, Denmark with her husband and their two daughters. She started the blog *Gourministeriet* in 2019 and the success has been a fact ever since. The author is one of Denmark's largest food bloggers and clearly the one with the largest international reach. She has 280,000 followers on Instagram and an average of 800,000 visitors to her website every month and her videos have gone viral with several million views. Dianna develops all the recipes herself, takes all the photos and manages the *Gourministeriet's* website and Instagram profile.
