Knitted items guaranteed to get used!

Knitting patterns for Socks and slippers that quickly become favourites with the whole family
ankle socks with a good fit and fine details, everything from simple everyday favourites to decorative patterns and design.

The socks are knitted from the toe up. Clear and tutorial descriptions without advanced technical language makes Happy Feet a useful and inspirational book for both beginners and more experienced knitters.

This book will help you to create perfect items for your own use, for other members of your family or to give away as a gift!
